Dear Friends & Colleagues !!

My Heartiest Congratulation to Evation Business Solutions Pvt. Ltd. to take the initiative to host the upcoming International Conference on Agriculture & Horticulture (Agritek-2018), during November 26-27, 2018 at the holy land of Puri, Odisha.

Being the Minister, Department of Agriculture & Farmers Empowerment, Government of Odisha, it is my privilege to welcome you all to the upcoming Agritek-2018 Conference. I believe, you will get an unforgettable experience of meeting the global agriculture specialists and enhance your skills in the agriculture research and moreover, in enjoying the essence of Odisha, our culture, tourism and the best time you are going to spend at the holy land of Lord Jagannath.

Agriculture is the backbone of Odisha and the major contributor to the socio-economic growth of the State. Major population of Odisha in rural areas are dependent on agriculture, but they do suffer from frequent natural calamities such as drought, cyclones and floods. Hence, there is a big challenge for all the agri scientists to find out the best solution to help to overcome this challenges. I welcome you all to this platform of Agritek-2018 and discuss the recent advancements in Agriculture & Horticulture sector, share your knowledge, network for the benefit of farmers.

Government of Odisha has implemented the best possible Agricultural Policy in the country to bring the farmers community into the mainstream of development and to support the overall growth of the State. The National Award Committee has recognized the agri sustainable policy with pro-farmers programme instrumented program of Odisha Government. For remarkable achievements in Agriculture & Food Grain Sector, the Government of Odisha has bagged the prestigious Krishi Karman Award for four times.

I am confident that this Agritek-2018 will serve as a catalyst to connect multidisciplinary agriculture researchers under a single roof to plan for the future sustainable agriculture development and work together for the benefits of society.

Hope you will have a pleasant stay at Puri, Odisha, India and will carry the best experience ever.
